VESTA

Recent Hartford Habitat statistics say that 82 percent of our homeowners' children complete high school, 39 percent pursue a college degree, and 29 percent pursue vocational training. In addition, 27 percent of our homeowners have completed a college degree or vocational training since moving into their homes.

\$850,000

That's how much the Sticks for Bricks Golf Tournament has raised in our 20 year history. Providing a hand up to hundreds of families whose children benefit from stable homes in healthy, safe neighborhoods.

Good Times! PRE

A dark brown wood-grain background with horizontal planks. The text is centered in white. A large, semi-transparent 'PREVIEW' watermark is visible in the center.

Hartford Area Habitat for Humanity is dedicated to
strengthening communities by empowering families.

With your support, we change lives through
affordable homeownership.
