

*Hartford Area Habitat for Humanity Board of Directors***2018 Board Nomination Process*****Purpose***

Hartford Area Habitat for Humanity is committed to having a Board of Directors that reflects the rich diversity of the communities in which we work. Our nomination process will ensure fairness toward all current and prospective members as we prepare a slate of candidates for consideration in November.

Though we have a limited number of seats available in this year's cycle, we are eager to embrace each person interested in actively supporting our multifaceted, grassroots mission. In that spirit, we may invite applicants not voted onto the Board this cycle to join us by participating in builds, special events, and committee work in preparation for future Board consideration.

Timeline

Date	Activity	Notes
