## CORPORATE SPONSORSHIP OPPORTUNITIES IN 2020

### CORPORATE BUILD DAYS

Connect with colleagues in a truly meaningful way with a private, on-site, team building experience.

### PLAYHOUSE BUILD

A unique building opportunity allows teams to work together to build and decorate a children's playhouse which is then donated to a local family or community group serving children in Hartford County.

### NEIGHBORHOOD ASSISTANT ACT TAX CREDIT

We can reduce your tax liability through sponsorship. The **Connecticut Neighborhood Assistance Act** (NAA) Tax Credit Program is designed to provide funding for tax exempt organizations by providing a corporation business tax credit for businesses who sponsor these entities. Please contact Christina for details on the NAA program.

### BUILD-A-THON

Offered strictly to local corporations, these team-building days offer organizations a chance to invest in their employees and community while receiving additional build day perks and marketing benefits. Our goal is to sponsor a Hartford Habitat home through this building blitz.

### STICKS FOR BRICKS GOLF TOURNAMENT

Who knew a day on the course could build a house? Join us for our Annual Sticks for Bricks Charity Golf Tournament at Wampanoag Country Club on August 24th.

### HOUSE SPONSORSHIP

Sponsorship packages range from \$25,000-125,000 are available for those partners seeking to engage their employees throughout the year. Please contact Karraine for details.
